**“ACCIDENTS AT WORK AND WORK-RELATED HEALTH PROBLEMS, 2013 ”  
PRESS RELEASE**

“**Accidents at Work and Work-related Health Problems**” research was conducted second time in Turkey in the period of April, May and June 2013 together with Household Labour Force Survey. The results give information whether persons who employed during the survey reference week or had been employed within last 12 months encountered any accident at work or suffered from any work-related health problems within the last 12 months.

Press release of “Accidents at Work and Work-related Health Problems, 2013 “ which is not included in the 2013 National Data Release Calendar, will be announced on **24 December 2013 at 10:00**.

Respectfully announced.
