**ANNOUNCEMENT ON THE PUBLICATION OF
"WELL-BEING INDEX FOR PROVINCES, 2015" PRESS RELEASE**

"Well-Being Index for Provinces, 2015" press release which is not involved in the 2016 National Data Release Calendar, is due to be released on 22 January 2016 at 10:00.

Well-Being Index for Provinces is a study on province level, aiming to measure, compare and keep track in time of the well-being of individuals and households on distinct life dimensions, using objective and subjective criteria. This index is the first study in our country to be conducted in this framework.

Purpose of this study is to develop an indicator system to be a basis for monitoring the well-being of people with all aspects in provinces. Well-being index for provinces covers the 11 dimensions of life; housing, work life, income and wealth, health, education, environment, safety, civic engagement, access to infrastructure services, life satisfaction and presents these dimensions which are represented with 41 indicators, in a single composite index structure.

Announced to the public with respect.
