ANNOUNCEMENT

PRESS RELEASE ON "STATISTICS ON FAMILY, 2015" IS GOING TO BE RELEASED AT 10:00 AM, ON 11 MAY 2016

Turkish Statistical Institute publishes all kinds of information on socio-economic issues related to our country regularly. In addition, the special press releases are presented with using available data for specific population groups such as women, elderly, children and youth or for special occasions such as World Population Day; hereby, different dimensions of the subject can be seen by the public in an integrated structure.

The International Day of Families was proclaimed as the 15th of May every year by the UN General Assembly in 1993 with the aim of protecting and empowering families. This day has been observed by the world since 1994. In this news release which was prepared for The International Day of Families and which will be released on **11 May 2016**; statistics on "**type of households**" will be presented by provinces for the first time based on administrative registers. Type of households has been produced by using information from the Central Civil Registration System and Address Based Population Registration System.

Announced to the public with respect.
