ANNOUCEMENT
QUARTERLY GROSS DOMESTIC PRODUCT IV Quarter: October-December,
2016
CORRECTION in The Tables of Gross Fixed Capital Formation

Quarterly Gross Domestic Product IV Quarter: October-December 2016 press release has been published on 31th March 2017 at 10.00. There is a correction related to the data in machinery and equipment part for the third quarter of 2016 in the table of Gross Fixed Capital formation (value, share, percentage change) of the press release due to an error of fact in the calculation process.

There are no changes for GDP at current prices, the chain linked volume index and percentage changes. Also this revision does not affect Gross Fixed Capital Formation in the tables of Gross Domestic Product by Expenditure Approach.

Tables of the press release and historical tables has been corrected and republished. We apologized for this error from our users, announced to the public with respect.
