**“STATE SUPPORTED AGRICULTURAL INSURANCES, 2017”  
PRESS RELEASE ANNOUNCEMENT**

“State Supported Agricultural Insurances, 2017” press release which is not involved in the National Data Calendar will be released on June 12, 2018 at 10:00.

The purpose of this study is to collect data on agricultural insurances which are part of risk management in agriculture and to present these data to the users. As well as number of policy, insured value, insured premium, state support premium, total premium, insured area and insured livestock by insurance lines, paid loss by insurance lines and by reasons will be published with this press release.

Only the state supported agricultural insurances data are involved in this press release and all these involved data are gathered from administrative registers of Agricultural Insurance Pool (TARSIM) within the context of Official Statistics Program.

Announced to the public with respect.
