ANNOUNCEMENT ABOUT RESULTS OF THE GENERAL ELECTION OF 27TH TERM REPRESENTATIVES AND THE PRESIDENTIAL ELECTION ON 24 JUNE 2018

Since Turkish Statistical Institute completed the studies on the results of **"Presidential Election"** and **"Election of 27th Term Representatives"** which were held on 24 June 2018, the results will be published on TurkStat web site in the database section under the titles of **"Presidential Election / Referendum Statistics"** and **"Election of Representatives Statistics"** on 26.09.2018 at 11.00.

The results of presidential elections will be reached via the link of "<https://biruni.tuik.gov.tr/secimdagitimapp/menuhalk.zul>" and the results of elections of representatives will be reached via the link of "<https://biruni.tuik.gov.tr/secimdagitimapp/menusecim.zul>"; the database allows dynamic search in the results. From these links, the reports about the domestic and overseas results of elections at ballot box level, the reports on voters' profile information at district level for domestic and at representation office level for overseas voters and the reports on candidates and winner candidates are available. Also updated static tables about "Election of Representatives" will be available on Turkstat website under the "Statistics by Theme" and "Main Statistics" titles.

Announced to the public with respect.
