**PRESS RELEASES ON HOUSE SALES STATISTICS**

Within the framework of the Official Statistics Program, monthly information on the number of house sales are submitted by the General Directorate of Land Registry and Cadastre to our Institution on a web service environment. In the announcement which is made by the General Directorate of Land Registry and Cadastre on 12/07/2019 (Announcement to the Public about E Mortgage), in the transmission of data for April and May 2019, it was stated that the data related to sales made by e-mortgage were not included in the data which were sent to our Institution. Within this scope, with the news bulletins, bulletin tables of April-May 2019 and the total number of house sales, the number of mortgaged house sales, the number of first-second-hand house sales statistic tables with data bases will be revised on 12/07/2019 according to the newly sent data.

Respectfully announced to the public.
